Contractor's commercially reasonable efforts shall include overtime and weekend work at a fixed rate agreed to by the Company in writing.

If the Rates set out in the Contract Price are not applicable to the Change Order, the Parties must, as part of the Change Order process set out in this clause 20, negotiate a mutually acceptable lump sum increase or decrease to the Contract Price properly itemized and supported by sufficient substantiating data to permit evaluation.

In the event that Company elects to accept Contractor's proposal, then the Parties shall thereafter in good faith negotiate an appropriate Change Order or amendment hereto implementing such proposal and providing for a mechanism through which both the Contractor and the Company may share in the resulting benefit.
