# GLASSDOOR – Supplier

## Glassdoor tool overview

Glassdoor is a new and innovative tool that provides, in an easy and efficient way, a complete view of the supplier's data such as the status of qualifications, ongoing tenders, contracts, performance and payment status.

This tool is available from the WeBUY landing page accessible at: <https://globalprocurement.enel.com/>, once logged-in with your username and password.

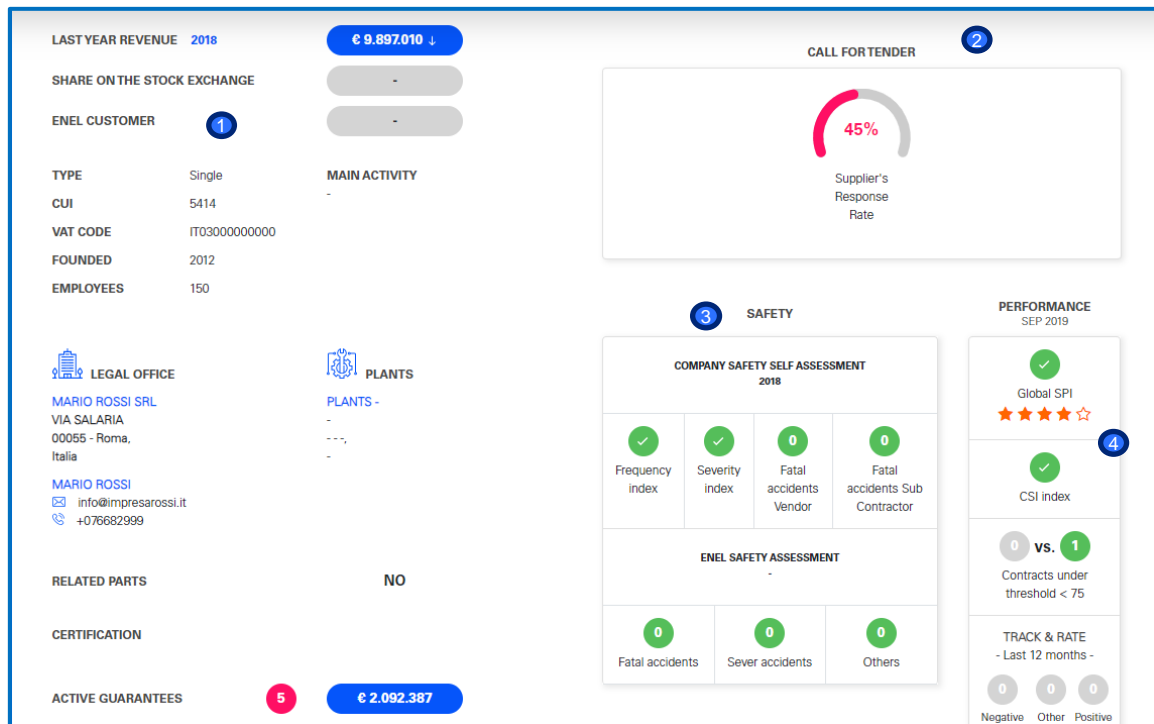

- 1 Click on **Access** from the Global Supplier Portal of Enel.
- 2 Enter your **WeBUY** username and password.
- 3 Inside WeBUY in the main dashboard go to the "access to other systems" section and click on **Glassdoor**.

# GLASSDOOR – Supplier

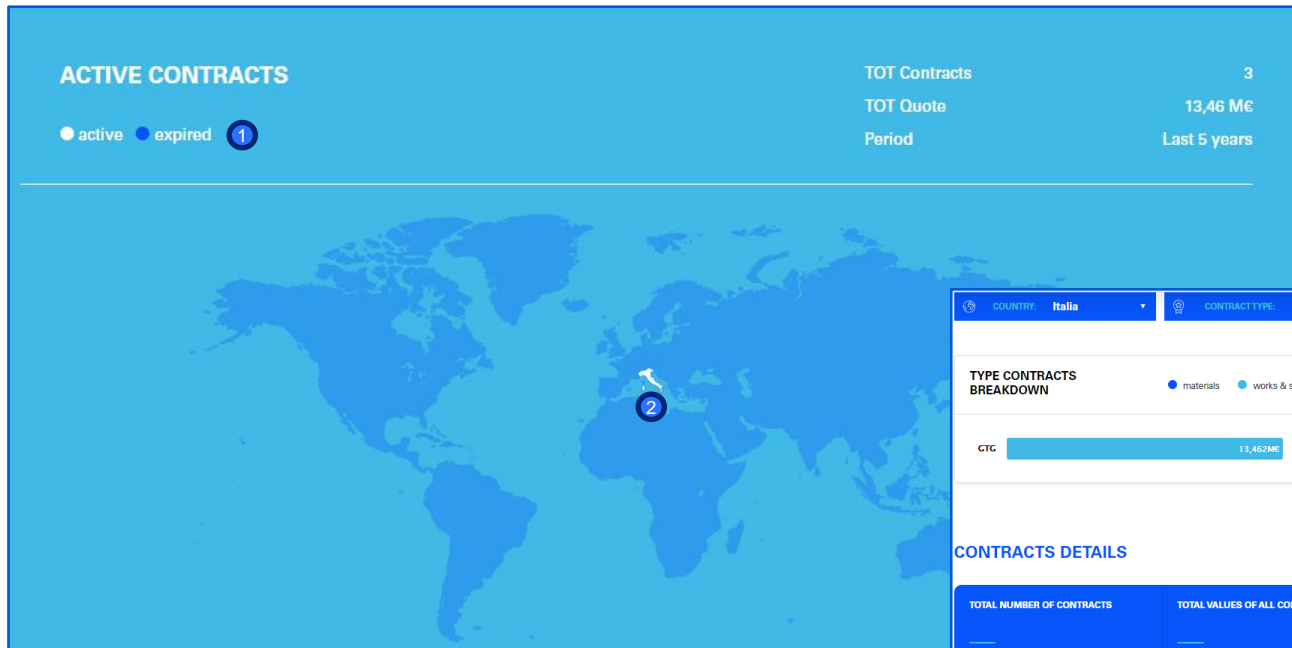

## Dashboard – General data

- 1 Detailed information on general data.
- 2 Percentage of participation in tenders with respect to the total received invitations from Enel Group.
- 3 Information related to **Safety**.
- 4 Information related to **Supplier Performance Management (Global SPI)**, as well as **Contractor Safety Index (CSI)**

# GLASSDOOR – Supplier

## Active Contracts
