

The background of the slide is a vibrant, multi-colored graphic. It features two silhouettes of people shaking hands, one in blue/purple and one in red/orange. The background is filled with abstract elements: a wind turbine, a city skyline, a molecular structure, and flowing, wavy lines in yellow and green. The overall color palette is bright and energetic, transitioning from blue on the left to red and orange in the center, and then to yellow and green on the right.

SUPPLIER DEVELOPMENT PROGRAM

LCE, LE NOSTRE TAPPE

Life Cycle Engineering (LCE) è una società di consulenza indipendente che dalla metà degli anni '90 sviluppa soluzioni e strumenti professionali per organizzazioni private e pubbliche sui temi Life Cycle Assessment (LCA), eco-design, comunicazione e marketing ambientale, incluse le relative certificazioni.
